

Sprint 3 Burndown chart:

Date - June 28th, 2023 - July 21st, 2023

Comments

For every sprint, our team plans to reach a planned velocity of 40 story points (8 points per each team member). Sprint 2, the previous sprint, had a velocity that ended up being 27 story points of tasks. During Sprint 3, we were able to complete 37 story points worth of tasks. Again we were not able to reach our goal due to each group member being busy with other types of school work.
